

Supplemental Type Certificate

Number ST00436SE

This certificate, issued to CTT Systems AB
P O Box 1042
S-611 29 NYKOPING, Sweden

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product—Type Certificate Number: A1NM
Make: Boeing
Model: 767-200/300

Description of the Type Design Change: Installation of Zonal Drying System in accordance with CTT Systems AB Master Drawing List MDL767, Issue VI, dated 1998-04-28, or later FAA approved revision.

Limitations and Conditions: Approval of this change in type design applies to the above model aircraft only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined that the relationship between this change and any of those other previously approved modifications, including changes in type design, will introduce no adverse effect upon the airworthiness of that aircraft. A copy of this Certificate must be maintained as part of the permanent records for the modified aircraft.

The STC holder will provide a written permission statement to each person it authorizes to use this certificate to alter the product.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: June 25, 1996

Date reissued:

Date of issuance: May 15, 1997

Date amended: May 19, 1998

By direction of the Administrator
